

LIGHT TOUCH MEDIA INCORPORATED

GOVERNMENT CONTRACTING · FIBER OPTICS · CLOUD TECHNOLOGY

UEI	VDHJVM2CDR73	CAGE	210S8
Business Type	Small Business	SAM.gov	Active Registration
NAICS	335921 · 518210 · 334220	Compliance	CMMC · JCP/DD2345

CORE COMPETENCIES

- Precision fiber optic cable assemblies and jumper manufacturing (NAICS 335921) — CMMC-compliant production with controlled supply chain for defense and federal contracts.
- AWS Government Cloud (GovCloud) and commercial resale via strategic partner Carahsoft (NAICS 518210) — IL6 pass-through, GovCloud, and commercial at competitive reseller rates.
- Broadcast-grade AV systems and video production for command centers, training, and communications (NAICS 334220) — 15+ years of engineering under live production deadlines.
- Technical services: systems integration, telecommunications circuit provisioning (DISA/DITCO), and project management for federal technology programs.
- IT infrastructure modernization and secure systems integration for defense and civilian agencies — Linux/DevOps, cloud architecture, automation.

COMPANY DIFFERENTIATORS

- **Film-set discipline applied to federal delivery:** 15+ years operating Steadicam rigs on major productions — zero-room-for-error preparation, communication, and on-time execution under pressure.
- **Registered, certified, ready:** Active SAM.gov registration, CMMC compliance on file, JCP/DD2345 on file, UEI VDHJVM2CDR73 / CAGE 210S8.
- **Small business agility:** 100% Small Business — eligible for set-aside awards; responsive, owner-led, no layers of subcontractor markup.
